

Honey Springs Road, Jamul, CA 91935

Outreach Volunteer

There are many public events and outreach opportunities in the cities where wild parrots are found. Many of these events are free and have the possibility of drawing large crowds. These events are typically called "booth events" and are essential for SCP to attend as they are a platform where we share and educate the public about the wild parrot populations that can be found throughout Southern California and beyond. We also provide formal presentations for various civic groups upon request. These two types of events are critical to our organization as we aim to increase wild parrot awareness. Volunteers in this role are so important to providing support in this essential area of our organization! All training provided by staff.

Responsibilities/Tasks

- Help with booth or presentation setup/breakdown
- Engage and interact with the public
- Answer questions from the public about SCP
- Provide support and ideas to staff
- Monitor ambassador bird(s) at events

Benefits

- Gain public speaking experience
- Interact with the public
- Attend local events for free!
- Learn all about wild, naturalized parrots
- Provide a unique service to our nonprofit

You Will Love This Role If You...

- Enjoy spending time at local events
- Want to gain more public speaking experience
- Have a passion for learning and education
- Like talking

Requirements

- Age 18 or older
- Have access to reliable transportation
- Show up on time and cheerful
- Minimum 6 months' commitment
- Physically able to work 3 hours at a time

Worksite: Flexible and varies per event

Reports To: SoCal Parrot Manager
Sarah Mansfield | sarah@socalparrot.org

Timeframe: Minimum of six months. Hours are flexible. Events may be as short as two hours or as long as six or more (when including setup/breakdown). The event details will be provided via email and accommodations can be made regarding event hours/shift.
